### Message from Kelly:

I will be having sinus surgery on Tuesday December 3rd.  
Prayers for a quick procedure & speedy recovery would be greatly appreciated!

Also, I would like to ask if anyone is interested in possibly taking over the  
newsletters after the first of the year!

Life for us is crazy as many people know!  
Working at Mother Seton School has blessed me with so many opportunities that is  
making my work hours longer, making it very difficult to find time to do everything  
I want to get accomplished!  
Along with Tyler & I's Plans to hopefully start building as house in the next year or  
two, Fingers Crossed!

I have also took on some other projects such as taking photos & designing a  
Church Directory for Weller United Methodist Church in Thurmont.

I will continue serving as MCOB Sunday School Teacher but at this time in life I  
cannot pursue our monthly church newsletter!

I will have a binder of the forms that were filled out as well as everything the next  
person will need to do the monthly church newsletter!

As well as information to accessing the church email.

Thank you!  
Kelly Sumner
