“The Church of the Brethren has done so many good things”

Those are the words EYN president Daniel Mbaya shared at the Global Mission Dinner. He told the crowd, “You do many good things. Please don’t let go of that. In his message he spoke of the outpouring of the Holy Spirit in Acts 2, when the Holy Spirit fell upon the church and changed the path of God’s people. Brother Mbaya compared the outpouring of the Holy Spirit with the arrival of Brethren missionaries who had come to Nigeria to pour their lives into those who needed God’s help. Many thousands of lives were greatly helped by our missionaries.

Though there are Nigerians who continue to live in very primitive homes like this one, Nigeria is Africa’s most populous country (over 220 million people as of 2024). However, the average family in Nigeria still earns only between 13 and 226 dollars a month. They are able to survive only because of the food they raise on their small farms. Even in urban areas most families have a small farm in the country to raise food. If you would like to support a needy family with prayers and other support, let’s consider doing an outreach to our brothers and sisters in Nigeria. Let me know if you are interested
